Subject: Sellout of Breas Z1 in the United States of America

Dear Customer,

This document is notice that Breas has sunset and discontinued production of the Z1 Travel CPAP and Travel Auto CPAP Machines in the USA. The Z1 units have been replaced by the Z2 Travel CPAP and Travel Auto CPAP Machines. The last sale of the Z1 in the USA occurred in June 2019. Note that accessories and repair parts will be available for USA Z1 units until June 30, 2026.

Please contact your local Breas salesperson if you have any questions.
